Thank you to all our partners:

RSM Richter Chamberland

### Giving counts even more!

For the third consecutive year, our firm, in association with CIBC, Export Development Canada and *La Société générale de financement du Québec*, is proud to have provided a helping hand to more than 20 organizations in Montréal and Québec City during its 2010 Community Day. Over 600 employees donated their time and energy; adding a little sunshine in the lives of hundreds of beneficiaries.

### Put your time to good use. Be part of our 2011 Community Day!

After this third edition, we can undoubtedly confirm that we are once again prepared to increase our volunteer group. We are only missing your troops! Why not make Community Day one of your teambuilding activities?

The benefits are clear:

- Motivating employees;
- Promoting a feeling of well-being and pride;
- Building ties with new business contacts;
- Strengthening existing ties with your employees at all levels.

### Thank you to all of our donors!

Many of you contributed greatly to the success of this day by offering products or services that were invaluable to our efforts.

Visit our new web site at [www.givingcounts.ca](http://www.givingcounts.ca) to obtain more information on our Community Day.

On behalf of RSM Richter Chamberland and our partners, we wish to thank you for your support and hope to count on you in 2011. Rest assured that we are committed to next year's event and that we are already working on some great new ideas!

**Stephen Rosenhek**  
Managing Partner
